GREGG ELCHERT

1982's Top Designer

Sincere, enthusiastic, concerned, dependable, helpful, energetic, informed . . . What do these qualities have in common? They all describe the kind of person who has been admired and trusted here at Seneca East for four years. This teacher puts extra effort into making his classes informative and stimulating. He motivates every individual to reach his own potential whether it be mentally or athletically. He has helped shape and design the class of 1982. It is with great honor and pride that the class of 1982 dedicates this edition of "Tiger Paws" to MR. GREGG ELCHERT.

The 1982 edition of Tiger Paws is entitled Designer 82. This theme was selected by the staff because of its significance to our high school years. With the growing popularity of designer fashions we felt this theme went along with the idea that S.E. is also a designer item. When a student passes through the hallways of E.E. he is prepared for the future. An individual is created just as a designer creates new and individual fashion wear.

"One-Of-A-Kind" Types

The student body recieves most of its true support from the exclusive **FACULTY.** It is this group that shapes, guides, and instructs young students.

The **FACULTY** is designed to encourage students and mold them into a worthwhile, educated, original product. **FACULTY** consists of teachers, coaches, administrators, and other "one-of-a-kind" types. The **FACULTY** emphasizes precision and excellent workmanship as the students move into a highly industrialized society. Each student, new or old, bright or faded, is given the full attention of every member of the staff.

The goal of the Seneca East **FACULTY** is to produce interesting, educated, valuable originals. No one believes in mass-produced Jeans and Genes.

LOOKING BACK

School years are filled with many fond memories. But the Senior year holds a majority of those memories.

The good times go from football, to basketball, to track; from exchanging senior pictures, to writing in the memory books; from selling Christmas cards, to going on the senior trip; from working at the concession stand, to going to Government class; from weekends with your friends, to nights with a special person; from classes, to the cafeteria; from parties, to the Prom; from bumming around the halls, to hanging out in the office with Mary; from class keys, to caps and gowns; from good 'ol rock and roll, to rowdy times; from the first day of school to graduation; from smiles to tears; from reality to dreams; from happenings to memories.

This is just a few of the events that might stand out in your mind. They are endless and unforgettable. But we do realize that these were some of the best years of our life. We will always hold many memories of SEHS and life-long friendships.

QUEEN DANA REIGNS AT OCTOBER CLASSIC

A victory for the Seneca East Tigers over the Plymouth Redmen 22-9 on October 16, helped make 1981's Homecoming extra special. Dana Ison and Ken Davis were crowned queen and king over the festivities. On October 17, the senior class sponsored the Homecoming Dance. Students and their guests danced to the beat of "Fantasy." The evening was enjoyed by all.

FOR BETTER OR FOR WORSE

On November 25 the annual event of our Modern Marriage took place. This year we had a double-ring ceremony. It was a mock ceremony with a formal reception. This all took place in the Home Ec. room where refreshments were served. The students were the participants with the faculty as guests.

MURDER

The success of such current movies as Halloween I and II and Watcher in the Woods shows the continuing interest of the public in horror and occult. Going along with this theme the Seneca East High School students on Friday, November 13 and Saturday, November 14, presented, "Bats in the Belfry" by Angela Randazzo. The action took place in a conservatory of music dominated by four witches who formed themselves into a coven. Also featured were people suspended in animation and a girl who changed into a car. A Warlock was poisoned to death but his spirit lived on.

Tomorrow's Designers

The undergraduates at Seneca East High eagerly await the day when they, too, will become Seniors. Their futures are being designed by the influences around them. They must carefully plan their courses and they search to increase their minds with knowledge. Consideration is given to possible careers - doctors, teachers and artists. Their music and athletic talents are developed through faithful individual and team practice. Personalities are shaped. New friendships are made and old ones are strenthened. As the undergraduates strive to design their lives in the best possible ways, many cherished memories are made.

UNDERGRADUATES

JUNIOR'S DESIGNER T-SHIRT

The Junior year is always a busy one at Seneca East. During the year the junior class made significant contributions to all aspects of the school program. They contributed as fans and as participants to the high degree of school spirit and to the success of our athletic teams. They played and sang in our fine band and chorus. There were juniors on both of our high quality productions on stage.

One of the important activities of the junior year is magazine sales for the purpose of raising money for the senior trip. The junior class entered into this task with great enthusiasm and large amounts of money were raised.

Perhaps the activity that most distinguishes the junior year is the Prom. According to Seneca East tradition, the Prom. is the responsibility of the junior class. Much time was spent in planning and raising money for the Prom. Money was raised through car washes, bake sales, spirit chains, raffles, and manning concession stands at athletic events. A menu had to be prepared. Invitations and a program had to be printed. A band had to be engaged and a theatre and movie decided upon. Counts of those attending had to be made and an explanation of the evening sent home to parents. A skit involving sophomore servers had to be prepared.

The theme of the Prom was a Caribbean Cruise and the decoration of the gym to carry out this theme proved to be no easy matter. Many members of the class worked very hard each night after school the week preceding the Prom in order to put the decorations in place. There were many obstacles such as a ceiling that kept collapsing and paper that would not stick on the walls. However, the end result was a beautifully decorated gym and a successful Prom.

CLASS OF 1984

FRESHMEN

This year was a big year for the Freshmen. It was our first year of high school and it was a definant change from junior high. The first few weeks were the scariest, finding the classrooms, making new friends, and being picked on by the upper-classmen. Well, we made it through our first year and we won't be spider monkeys anymore. The class didn't do much fund raising but next year will be filled with all sorts of neat activities.

RELIEF FROM DAILY STUDIES

Extra curricular activities serve two functions. First they provide relief from our daily studies and second they allow us to design our future by preparing us for a vocation. There are many different clubs and activities in the school that a student can become involved in. If a student is interested in farming or homemaking, the dewey decimal system or typing he can design his future by joining some of the many groups.

Superior Band And Chorus

At Seneca East the Music Department's an enjoyable, active and successful experience in our daily lives.

We students have worked hard at establishing a high standard of excellence in the Chorus and Band. It is our belief that pride and self esteem will only come with hard work and dedication to doing all those things that many others overlook or are too timid to attempt.

The Chorus in 1981-82 established itself as one of the better choirs in the area. We recieved a Superior rating at District contest and a rating of Excellent at State. We did this while preparing the musical and performing four concerts during the school year.

The Band members continued on their path of success with many fine performances during the year. We ended the year with Superior ratings at both District and State contests. Again we earned our nickname T.B.D.K.I.T.L.

Striving For The Gold

As years go by, many memories are treasured from sports participated in. They are a big part of high school years. Students cherish the new friendships gained, wild times at practice, the stress of competition, and many other things throughout the season. It shapes people to help others, give and take, and mostly improve patience and understanding between players. But the most important part of sports is the 'Do you remember when?' moments with your friend in the years to come. These memories will be carried through the years and thought of fondly.

This season the Seneca East Football program has finally turned the corner. We were no longer losers. Our Jr. High and Jr. Varisty football teams were conference Champions. This final addition to our strong base of returning lettermen will make Seneca East football a force to be dealt with in the seasons to come. Records set this football season are many. We set the school single game scoring record-vs.-North Baltimore, recorded the first non-losing season, won the school record for allowing the fewest points, and this was the first season to ever shut-out two opponents defensively. Bernie Wurts, Jack Fruth, Ken Davis, and Brian Hoepf were the captains of the 1981-1982 football team who offered dedication and leadership in making this year a year to remember.

After having a large majority of our team graduate last year, we were left with the assignment of rebuilding our golf team. Inexperience was our major problem that plaqued us throughout the year. Several of the players saw limited varsity action last year, while several others saw reserve action. For several other members of our team this was their first contact with the game of golf and competition. Golf is a time consuming sport as well as a demanding sport. Golf is a game in which one must dedicate oneself to the developing of technique physically and it also takes time and effort to develop the mental aspects of the game. We look at this year as a learning experience. We have learned what competition is all about and what will be necessary to win in the future. With the experience we have recieved along with some work over the summer we look forward to having a more successful season next year.

Coach Cummings

The girls varsity vollyball team, under the tri-captains, Suzie Rogers, Jill Fruth, and Carol Ruffing, reached an overall record of 15-7.

The team, having the most wins in schools history went to beat Hopewell to tie for the SCL (7-1) and then also beat Hopewell in sectionals (1-1).

"There was a special feeling this year of "Teamwork". Everything was done as a team throughout the season which helped us through the rough times. This was a super season from a super Seneca East Vollyball squad," Coach Sheibley gives advice for the up coming sqads, hard work + cooperation + fun + ability + desire = success.

Inexperience and injuries led the team to a 2-5 record at Christmas, but soon after that we beat Old Fort and Northwood in one weekend and started to play well. We played excellent basketball down the streach winning 4 games in 7 days over New Riegel, North Baltimore, Mohawk, and Plymouth. Buddy Caudill named Player of the Tear in District 6 and WDHO Player of the Year. We've matured and improved into a very good basketball team. We played very good offensive and devensive team basketball. - - - Coach Bowen

The JV Tigers basketball team had an outstanding year in 1981-82. We got out of the starting gate very fast, hit a mid-season slump and worked very hard to overcome that slump. There were too many highlights during the season to mention. The spirit, dedication, hard work and enthusiasm of these young men are what has made them successful. We look forward with great anticipation to their continuing this tradition before if they do—they will enjoy great success.

Having a record of 11-9 was not a true indication of the ability of the girls on the reserve basketball team this year. It is very difficult to describe the feeling or attachment that developes between a coach and the players. Together we made it through some hard practices, easy wins and difficult loses, which in all, made it a very memorable season. I want to thank all who helped contribute to an enjoyable first season of coaching girls basketball.

A come from behind victory over Northwood in the finals of the LSC tournament was the highlight of the season. These young men combined unselfishness with hard work and turned this combination into an undefeated season. This group of freshmen proved that basketball is indeed a team sport. I hope that the fans of Seneca East will enjoy watching this group for the next three years as much as I have enjoyed coaching them.

A very young Tiger Baseball team took the field early this spring. After a very slow 1 and 8 start the ram matured, gained confidence and won 11 out of our last 14 games. This included a drive toward the SCL championship which found the Tigers defeating all their league opponents the second time we played them. This effort put the Tigers in a tie for the championship. It would have been very easy for these young men to quit after our 1 and 8 start, but they didn't. This group dug down deep for something extra and turned their season around. They have added to S.E. Baseball tradition and can be as proud of their accomplishments as we are proud of them.

This season was exciting because we had to start with a whole new infield. This meant learning how to play new positions. To watch the progress and growth of new players is what makes the game exciting. The experienced players improved on the stragety of their game. The season was very successful considering we won the Lakeshore Conference, were sectional champs, and district runner-ups. We met all the goals that were set at the beginning of the season and even supercided some. A super season for a super group of softball players. - - - Coach Sheibley

Precious Moments . . .

Twenty years from now you may have discarded your cap and gown, misplaced your diploma and outgrown your letter jacket but you will always have your high school memories. During high school years many life time friends are made. The most precious memories are usually from the Senior year. This year, Seniors will fondly remember their Florida vacation, May 28, a Carribean Cruise, Friends they made from far away lands and Nationwide current events. Twenty years from now, this years seniors may laugh at the fads and fashion designs of '82 and may shed a tear over a fond memory.

Sandy Beaches And Starry Skies

On Saturday, May 1, 1982 at 6:30 p.m. the Island Princess set sail for a romantic evening at sea. Mary Jo Bischoff gave the welcome for the Jr. class. Passengers on board at the Jr. and Sr. Prom were served a delicious meal of Island Fruits, Captain's Wheel, Dew Drops, Clam Shells, Sanddollars, Green Seaweed Salad and Angel Fish Surprise. After the dinner the ships stewards and stewardesses provided light entertainment. John Schueler spoke on behalf of the Senior Class thanking the Junior Class for their extra time and special effort put into making this night spectacular. Sandy beaches and starry skies gave the air an atmosphere of romance as we danced to music by the "South Monroe" band. The evening was highlighted by the crowning of Prom Queen Theresa McConnell and Prom King John Schueler. Refreshments were offered on the ships bar. At 11:30 the passengers loaded buses for the Tiffin Mall Cinema where we watched the movie "Only When I Laugh" starring Kristy McNichol. An early morning breakfast was served back at the school cafteria. The cruise seemed to end in too short of a time but the evening spent with friends created special memories for everyone.

The Sophomore Servers did an excellent job of keeping the Island Princess running smoothly. On the entertainment floor, Denise Walliser sang "Memories" and Gwen Mason treated us to a baton exhibition.

Twelfth Graduation Exercises

On May 28, 1982 at 8:00 p.m. eighty-eight Seniors participated in the Twelfth Graduation Exercises at Seneca East High. The High School Band played "Pomp and Circumstance Theme". Rev. Robert Hughes gave the invocation. Raymond Gaietto introduced the speaker, Richard L. Mann an attorney from Mansfield. He gave an inspiring talk on happiness. The chorus sang three numbers, "Old Irish Blessing", "Movin' on", and Flying Free". Special Awards were presented by Roger Nehls to the following people: Agriculture-Jack Fruth, Art-Glen Hay, English, Language-Sharon Miller, Business-Suzie Rogers, Home Economics-Susan Daniel, Industrial Arts-Robert Schaffer, Mathematics-Jill Fruth, Science-Regina Daniel, Music-Julia Binninger, Social Studies-Debra Schoen. Jacqueline Seasly, President of the Senior Class gave remarks for the class. Diplomas were handed out by Dr. Dallas Cahill and Mrs. Enza Fadley. The benediction was given by Fr. Stephen Cairns. The band played a resessional.

ACROSS THE SEAMS

Seneca East had three exchange students visit our school for six months. Fernando Lopez-Anido is from Argentina and his American family is Mr. and Mrs. Raymond Blum, Ellen, Chip, and Sue. Tonya DeCastro is from Columbia and was a guest at the home of Colleen Jackson. Marcela Gutierrez is also from Columbia and she resided at the home of Andrea Dryfuse. All three students are honorary members of the Class of 1982.

CALAMITY JANE

Here She Come . . .

This year the students at Seneca East produced the musical comedy "CALAMITY JANE". The play takes place in the western town of Deadwood City which is located in the Dakota Territory. The Golden Garter Saloon is the place where Calamity, Danny, Wild Bill, and all of the town's citizens come to socialize. Calamity is a definite tomboy until Katie Brown comes to Deadwood and shows Calamity that there is more to life than just "shootin' up cow rustlers." It was an entertaining play with plenty of singing, dancing, shooting, and good fun.

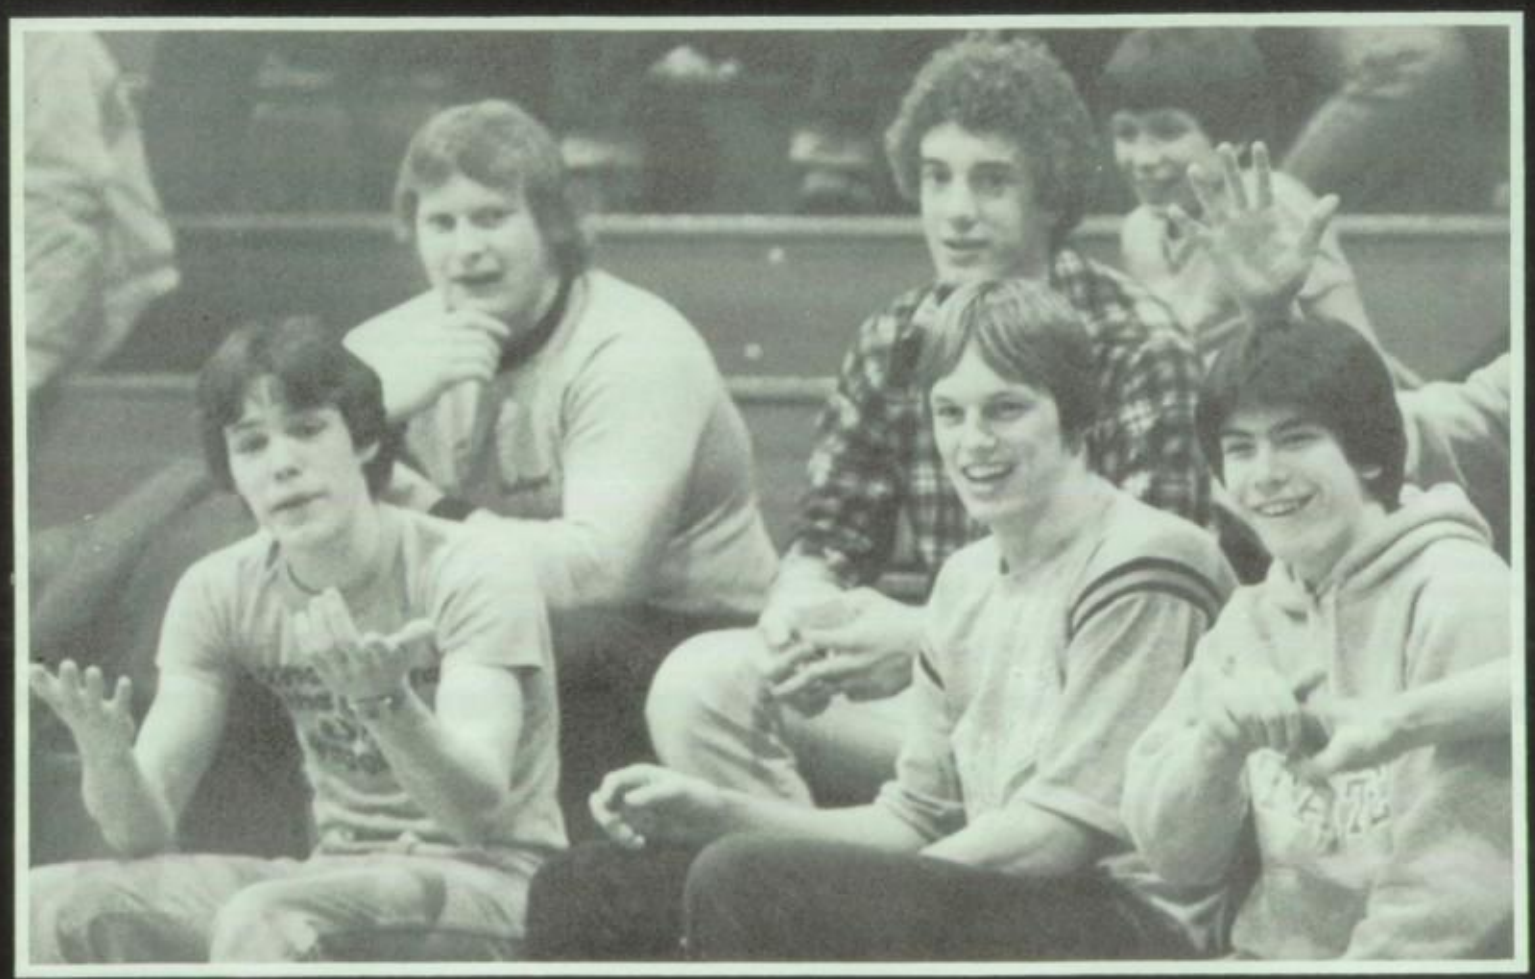
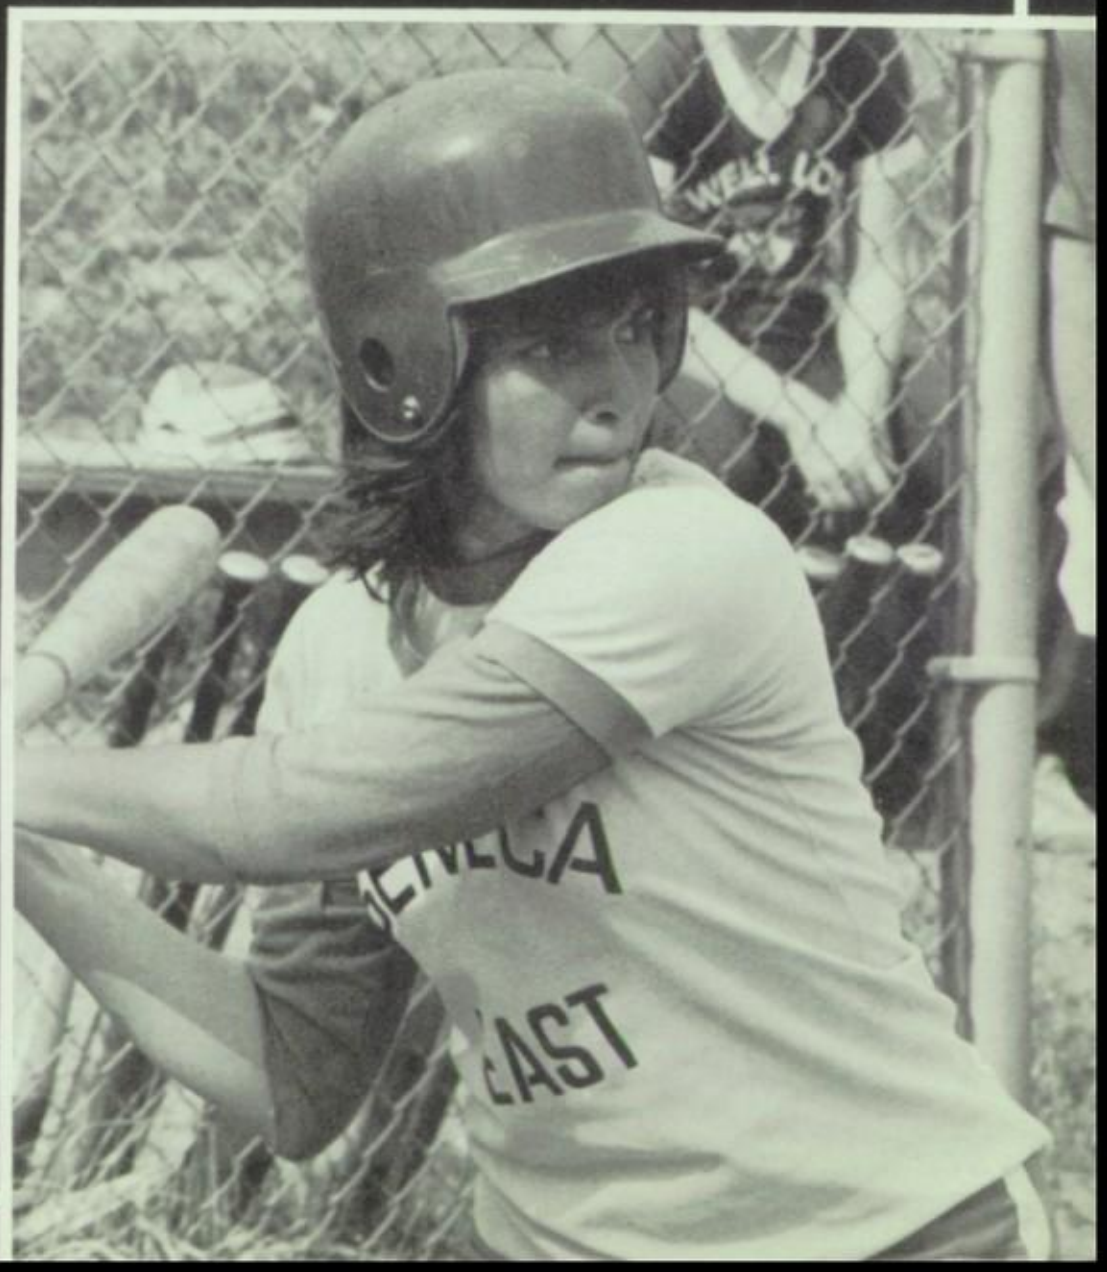
PORTRAIT OF



OURSELVES



WHAT'S NEW IN 1982

Rubic's Cube Asteroids Freeze Frame

This year we sat in our designer jeans, knickers, harem pants, sailer shirts and ruffled blouses watching Hill Street Blues, Richard Simmons, Magnum P.I., Dynasty, and That's Incredible on the TV set. While doing this we tried to solve the Rubic's cube. Then the news came on and we found that Anwar Sadat and John Lennon had been killed; the economy was in bad shape with high unemployment and a high inflation rate; the Soviets imprisoned Polish labor union leader Lech Walesa; the terrorists in Italy freed General James Dozier; also England and Argentina are at war in the Faukland Islands. In sports the World Series was won by the Los Angeles Dodgers, the Forty-niners were victorious in the Super Bowl, and the NBA playoffs were won by the Philedelphia Seventy-Sixers. After the news we jumped in our car turned on the radio and listened to Physical, Freeze Frame, Stroke, Center Fold and I Love Rock-n-Roll on our way to watch Porkies, Chariots of Fire and On Golden Pond at the movies. After the moves we went to our favorite fast food joint or to play video games like Pac Man, Space Invaidors and Asteroids. The next day at school we watched the Ceder Point Review and a drama group from Ohio State University. We missed 8 days of school because of bad weather. In our spare time we went to the World Fair in Knoxville, Kentucky and the Rolling Stones who were on their first United States tour in ten years. Our President this year was Ronald Reagan and the Govenor was James Rhodes.

Never Out Of Style

Fashions and clothing fads change from year to year and junior high students reflect each fashion season with their own interpretation of what is chic.

The Clothes and styles may change but the junior high still remains the traditional responsibility for preparing Seneca East students for high school.

If the Junior High had to have a logo or a trademark like those in the fashion world we would choose E + E **Educate and Enjoy** would be our quality trademark.

Unlike the Fashion world we hope to make this a fad that never goes out of style.

Just when we felt that we were at the top of the hill, we have to prepare ourselves for starting back at the bottom in the fall. But eighth grade has been a rewarding experience in many ways. This has been a year of great accomplishments. For the first time we've had an undefeated football team and an undefeated girls track team. We've had a lot of fun on the class trip, the student/parent swap day, and many other activities.

ON TO THE EIGHTH GRADE

Junior High was a new experience for us. It was different from elementary in many ways. We made new friends and became more responsible. Most of the seventh graders were very active this year in such activities as football, basketball, track, cheerleading, student council, band, and chorus. The seventh graders were proud to be Tigers! Now it's "on to the eighth grade!"

WE ARE THE MUSIC MAKERS

The Junior High Band can be seen preforming on many occasions. During the summer they play in concerts and parades for the Republic Fireman's Celebration and at the Attica Fair. In the fall the band had a concert at Attica and a concert for the Republic Halloween PTO Supper, the year was ended with a Christmas parade. The new year brought the PTO Music Festival, competitions with solos and ensembles, a spring concert, and the Republic and Attica Memorial Day Parades.

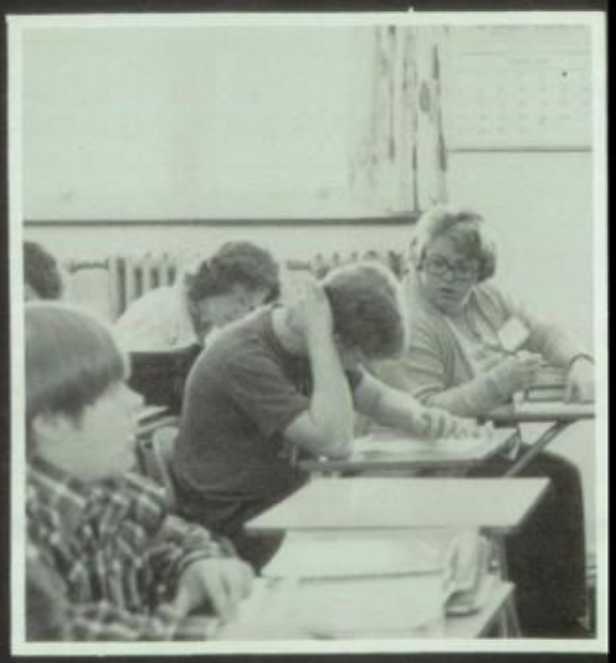
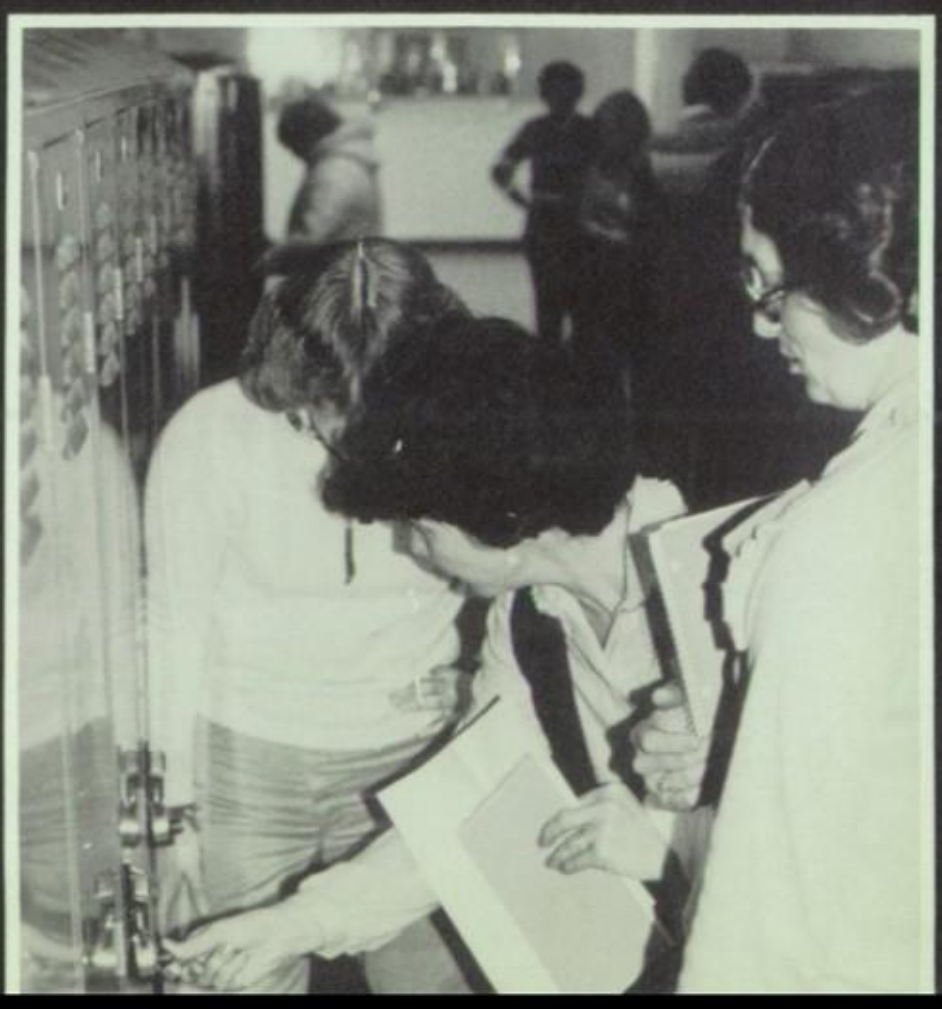
STUDENTS FOR A DAY

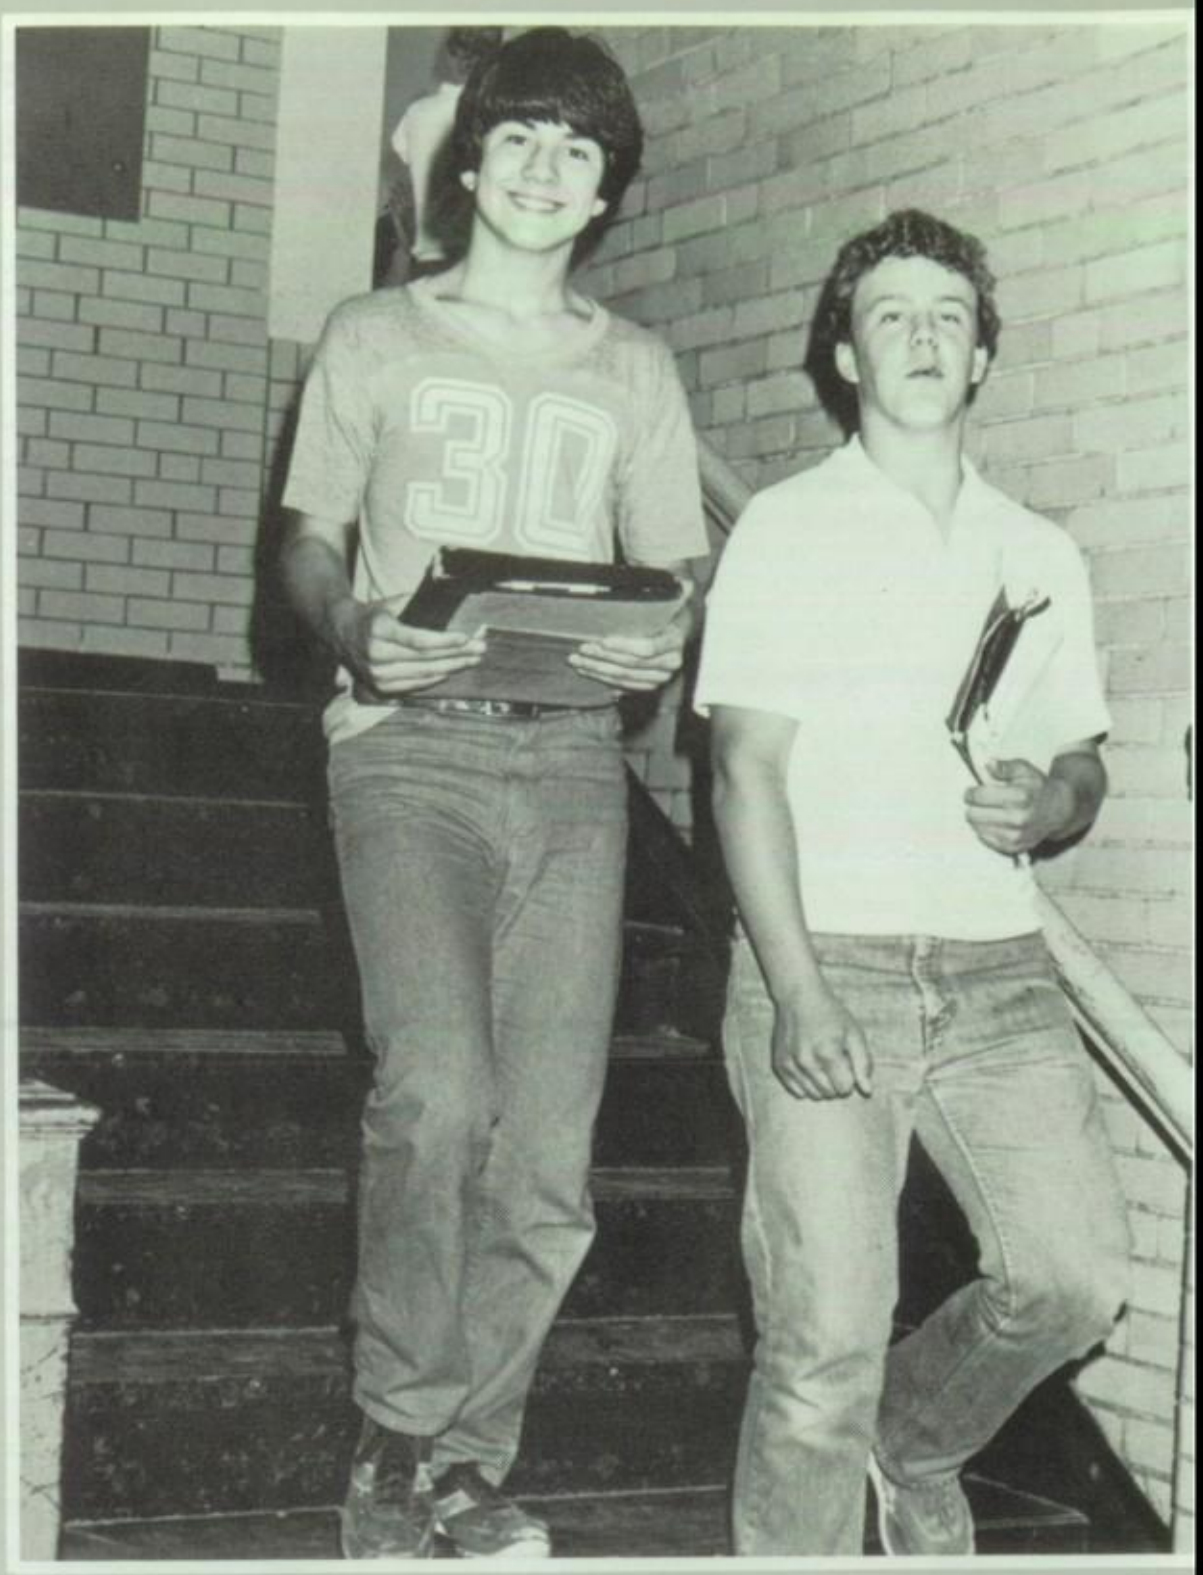
This year in the Junior High we did something new and unusual. We had a Parent/Student Exchange Day. On March 9th each student was allowed to have one of their parents come to school in their place. The parent was responsible for getting their child's homework and telling them all that happened that day at school. From the way the kids talked the next day at school, it sounded like everybody had a good time.



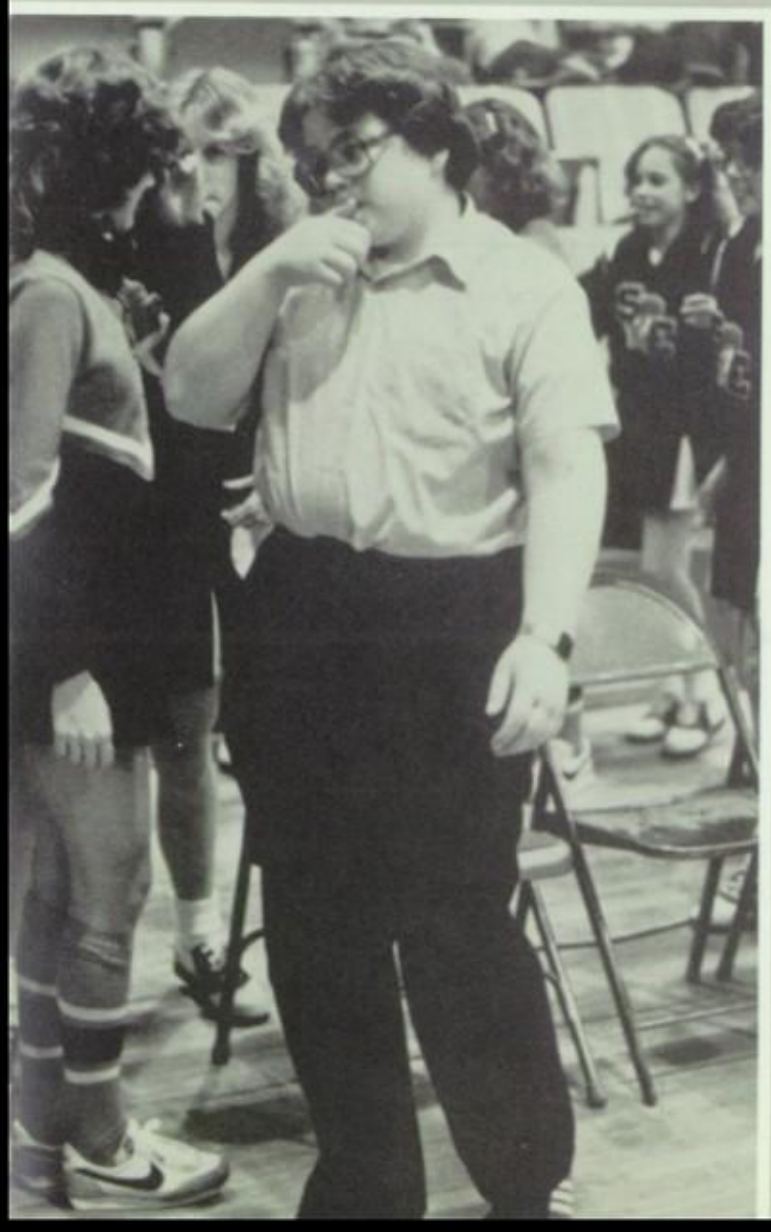
Top Left: "I can't find my Math book!"
Bottom Left: "Can you believe that Mrs. Jones gave me a C1?"
Top Right: "She says we're singing flat!!"
Bottom Middle: "I hate these pop quizes"
Bottom Right: "No talking in class!"

Top Left: Tom enjoyed having the Parent/Student Swap Day
Middle Left: Mrs. Smith and Mrs. Wheeler get a "taste" of Junior High.
Top Right: Oh no! Charlie wants to break up!
Bottom Left: I sure faked out the teacher with that answer.
Bottom Right: Let's see, was it 22 left or 14 right?





Top Left: Chris dribbles in for a layup. **Bottom Left:** Study hall in progress. **Top Right:** Smiles can be found in the halls of the Junior High. **Bottom Right:** Patty tells a captivating story to her friends!



Top Left: Don you're not old enough to drive! **Middle Left:** Regina has the honor of running the scoreboard. **Bottom Left:** Shawn gets a bad case of nerves before the big game. **Top Right:** Pam is on her mark for the Seneca East Track Team. **Middle Right:** Mrs. Ink works hard to keep the lunch line moving smoothly. **Bottom Right:** Top candy sellers. - Good Luck Seniors -

Once again we find ourselves at the end of another school year, and once again we see a group of young men and women leave Seneca East to go their seperate ways. As the Class of 1982 goes out in pursuit of their individual goals and aspirations, it is only fitting that we reflect on this past year and the many accomplishments of the Class of '82. We could look at the achievements in sports, in music, or in acedemics; but this book documents all of these things far better than could be done on this page. Rather, it is appropriate that we recognize those intangible things that add so very much to a school. The "pride", leadership, and enthusiasm that was generated by the Class of '82 is what made 1982 special. In four years you made it fashionable to "take pride" in Seneca East and to support and promote its programs. The Class of '82 provided the leadership and enthusiam to make this truely a memorable year. These are traditions that hopefully will remain in fashion always . . . for they are what makes Seneca East special! Best of luck to each and every member of the Class of 1982. We are very proud of you and your accomplishments! We shall miss you all and we will always remember with fondness your contribution to Seneca East. **********

*** Good Luck! **********
